

Serial Number Overview

Serial numbers are required to start a Case for warranty purposes.

- Some Matrix, *Vision, and BowFlex products will have 2 serial numbers: a frame and a console.
- The [Onyx Collection](#) by Matrix will have 3 serial numbers: frame, console, and bridge/mast/stabilizer.
- Vision, Horizon, and Schwinn products will have 1 serial number as the console and frame come together.
**Vision touch consoles have separate serial numbers from the frame*

Refer to the product Owner’s Manual for serial number locations.
